Congratulations! Your inquiry into All Fours Dog Training classes is the first step toward a whole new world of teamwork, bonding, and fun with your dog. Our goal at All Fours Dog Training is to teach you how to train your dog to control its body and behavior without physical submission or ruining its happy demeanor. Through agility and rally obedience training the bond between you and your dog will grow even stronger. Shy or fearful puppies and adult dogs gain confidence through participating in agility training classes. Hyper or over active dogs learn how to channel their abundance of energy. Your trained dog will exhibit better manners at home and in public, which will reflect positively on both of you. While participating in our classes, you and your dog can look forward to learning more confidence-building activities that will not only keep your dog physically fit and mentally challenged, but will also help you earn your dog's trust. As an All Fours agility or rally-O student, you will build upon your existing obedience foundation, gain better off leash control and take your training to new heights. And because agility and rally-o are never the same thing twice, YOU and your dog will never get bored. Instead, you'll both look forward to your next training adventure. Our instructors have many years of successful experience in agility, as well as, rally obedience, traditional obedience, flyball, protection training, hunting, conformation and therapy dog service. This experience is not only as participants in these activities, but as competitors, including achieving nationally recognized titles and rankings with many dogs of different breeds. This extensive range of training experience provides you with the benefits of our versatile base of knowledge. We have been honored and featured in various nationally circulated publications. Our students enjoy the many benefits of obedience and agility training and have also received national recognition for their outstanding accomplishments. They too, have been featured in various national publications. From couch potatoes to top competitors we've trained them all! Although All Fours Dog Training accepts all breeds, all mixed breeds, and all ages, we do limit class size. This means you are guaranteed high quality instruction and individualized attention for your special training needs in our state of the art, temperature controlled training facility. Limited class size also means that classes fill very quickly. Enrollment is based on a first come basis. Pre-registration is required. Please fill out the registration form now, attach proof of current vaccinations (a letter/health statement from your vet), and your tuition and mail it to us at All Fours Dog Training, Attn: Class Registration, c/o Best Friends, 1628 N. Elston, Chgo.. IL. 60622 Credit card registration is available via fax @ 773-384-1310.
